ECOSMART FIRE AND YOU

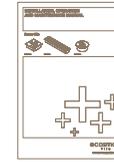

YOU CARE FOR THE ENVIRONMENT

You want a beautiful yet powerful flame. A flame derived from a renewable fuel that's safe and clean burning. The EcoSmart Fire ranges are powered by readily available bioethanol. Safe, clean, no smoke and no harmful emissions.

We're focused on safety. For your peace of mind, EcoSmart Fire is the most independently tested brand available today. Our fires are built on solid foundations with a unique operational system supported by accessories that come as standard.
