

7600
Series

morso®

7648

Pedestal model
Product Reference: 64760321

Height	1012 mm
Width	461 mm
Depth	6.2461 mm
Rated Output Kilowatts	6.3
Gross Efficiency	69.1%
Fuel	Wood Max 20% Moisture Content
Co Emission @ 13% Oxygen	0.124

7644

My vision was to create stoves with organic rounded forms, soft gentle and feminine, whilst providing the maximum view of the flames.

The accessories are designed to make the people smile, they are the perfect complement to the curving line of the stoves.
