The look and feel of a real fire

Finished in coordinated black and stainless steel, these beautiful fireplaces are lovely to look at and enjoy while you absorb the warmth and feeling of comfort that extends to every corner of the room.

VioFlame fireplaces not only look like a real fire, they also provide real warmth... enough to heat an average size room. Create both ambience and warmth in a room within minutes, perfect for entertaining guests or just spending some time alone.

Easy to use

Freestanding units can be placed on any level surface within seconds and wall mounted units can be installed in less than an hour. All models include an installation hardware pack and full instructions.

VioFlame fireplaces start instantly and burn for hours on one fuel load.

Breathe easy

VioFlame fireplaces burn cleanly and efficiently by utilising Bioethanol, (Methylated Spirits), a renewable and clean burning fuel.

With Bioethanol, there's no mess and no fuss, just beautiful warmth and ambience. There's no better way to heat a room than with a VioFlame occasional fireplace!
